

# Notes:

Dick Diamond and The Dusters is a self-contained, 7-member band. The band uses their own X32 Rack and Split Snake for their own in-ear monitor systems. Members bring their own mics, stands, cables, direct boxes, and will pin their own channels to their own Floor Box. FOH engineer will receive a 22-channel Fan (2 channels are vacant). There is 40' of Fan Cable from the X32. Power is required at the rear of Stage Left and Stage Right, and also at the front of Stage Right. **For more info, please contact Jeff Gajewski at (219) 201-2513.**
